# Yakult

## Bottle Pig Activity.

### Step 1

Blow up a pink balloon, release air and stretch and cover empty Yakult bottle.

### Step 2

Trace the top of the Yakult bottle on paper to outline snout.

### Step 3

Cut out snout and stick onto bottle opening.

### Step 4

Glue 'Googly eyes' onto the pig.

### Step 5

Cut felt into small triangles - these will be the ears. Stick ears onto pig body using sticky tape.

### Step 6

Twist pipe cleaner around pen or pencil to form coil. Cut to desired length and secure using tape.

### Step 7

Roll paper into a long, tight tube and secure edges using tape. Make sure you keep the paper tight so it doesn't unravel!

### Step 8

Cut paper into four 2cm sized pieces (these will form the legs). Use blu tac to secure legs to body. Your piggy is done!
